

About our Member Engagement Forum

Plans are underway for Derbyshire Pension Fund's first ever Member Engagement Forum meeting in Spring 2024.

If you're interested in joining us and other members, please complete the **Expression of Interest form** on page 2 of this document, then save and return it to the Fund.

How to return this form

You can upload your form on your **Document upload** feature on your **My Pension Online** account, or you can email a copy to our Regulations and Communications Team at pensions.regs@derbyshire.gov.uk.

By completing this form, you are only expressing an interest and the Fund will contact you with an opportunity to join the first Forum meeting.

The Spring 2024 Forum

The date has yet to be decided but is likely to be in March or April 2024.

We're looking forward to meeting with members from all age groups and learning about your experience of being a member of our Fund. This will help us to develop and improve the service we provide for our members' journeys from active membership into retirement.

We'll confirm the details of the first Forum meeting to the email address you provide on this form. The initial meeting will last for approximately 1 hour and will include a discussion on plans for, and regularity of future forum meetings.

Depending on responses, places may need to be limited and will be allocated until spaces are fully booked.

If you're interested in helping to shape the service we provide to our members, then we'd like to hear from you.

What the Forum will cover

Section 4 on the form is about the topics you might be interested in discussing. Please let us know as that will help to plan Forum meetings.

Some examples of possible topics are:
